Message from the Chair

I want to extend a huge thank you to Judy Kuster. She has decided to retire from coordinating ISAD online conference. With out her efforts ISAD would not have reached thousands of people who stutter and as well professionals.

Judy, thank you for your many years of service to PWS :)

ISA Board of Directors Decisions

Motion 51

We have received an application for membership into the ISA from the Stuttering Association of Zambia.SAZ. This application is conformity with the requirements for membership into the ISA as outlined in the ISA's constitution, and is in conformity with the said constitution.

This was discussed and passed.

Stuttering Association of Zambia SAZ is now a member organization of ISA.

Motion 52

The Internet is a vibrant tool for spreading ideas and information around the world. The ISA has embraced this, but should do more.

The ISA will form a new Committee, called the ISA Internet Services committee. Its function will be to expand the ISA's use of the Internet.

If the motion is passed, then David Resnick from Stutter Social and Bruce Imhoff ISA webmaster will be two Special Friends who will start the work of this committee.

This was discussed by both ISA Boards. (N.B. Only Board members can vote, but all are welcome to discuss the motion)

This was discussed and passed.
